

HYBRID BASECAMP BATTERY STAKEBED

850 BA03

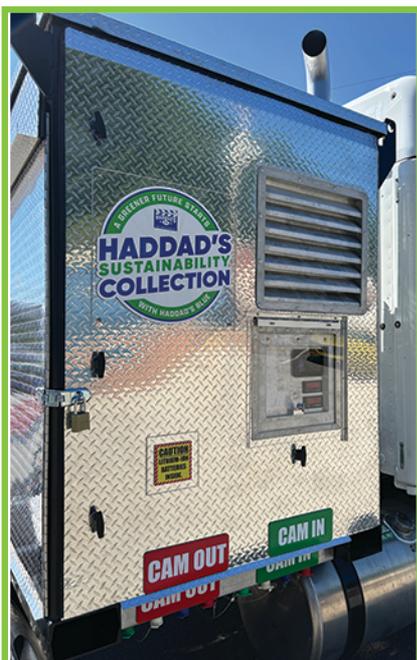

Battery Specs

- Lithium Ion
- 198 kWh storage capacity
- 36kW Output, 42kW Peak
- 120/240V Single Phase Output
- Run time 16-18 Hrs at 100 Amp continuous draw
- Run Time 6 Hrs at 300 Amp continuous draw
- Fast Recharge: can be charged in 6 hours
- Telematic monitoring via Bluetooth for remote tracking
- Pass-through capabilities allow power flow while charging

Generator Specs

- 1400 Amp Generator with Tier 4 Diesel Engine
- Capable of running on renewable diesel, reducing emissions
- Super quiet operation at 55 decibels from 23'
- Mounted on a truck for easy mobility

Please Note: Schematics may differ slightly from unit to unit.
